

## Piobaireachd 2017

From 2011 onward Piobaireachd seminars have been provided by the RSPBANI. The success of this project can be measured by the fact that the number of pipers competing competently in Piobaireachd has greatly increased and many more now play it for sheer enjoyment. This is exactly what we'd hoped to achieve.

**The primary focus of the RSPBANI School is for young pipers who would like to learn to play Piobaireachd or to try a few lessons to find out more about the music. Should anyone wish to find out more please contact Winston Pollock([rwspollock@btinternet.com](mailto:rwspollock@btinternet.com)).**

Much credit for this progress must go to Norman Dodds who heads up our home-based team of tutors. Augmenting this team will be our normal trio of

Chris Armstrong (Scottish Power),

Callum Beaumont (Inveraray)

Glenn Brown (Shotts and Dykehead).

Seminars will take place this Saturday, **January 28**, and dates for the next three months will be confirmed soon.

Cost per Seminar: School Age £10; Adult(18+) £15
