All other trophies must be returned to the Local Contest promoter or Branch.

All returned trophies have to be examined and refurbished or repaired accordingly. This requires a period of at least one month. Your cooperation therefore will be greatly appreciated and I would point out that the Major trophies can be returned by any of the following methods:

- a) At the RSPBA AGM on Saturday 11th March 2023.
- b) Sent to RSPBA Headquarters (address above).
- c) Handed in at the Trophy Return Point/Registration tent. These will be at all Major Contests (applicable from first Major Championship).

Please note that a fine will apply for any late trophy returns as per the Standing Order and Rules 4.72.
